

ClearThunder – How to Add Volunteering to your Registration:

Log in using your ClearThunder login at: <http://events.clearthunder.com/19CONF>

The screenshot shows two main sections: 'Existing Users – Account Login' and 'New Users – Create an Account'. The 'Existing Users' section has a form with 'E-mail or Username' (containing 'dyer@morgandata.com'), 'Password' (masked with dots), a 'Remember Me' checkbox, and a 'Login' button. Below the form is a link for 'Forgot your Password?'. The 'New Users' section features a 'Create An Account' button.

Select Register Myself and click Continue:

The screenshot shows a progress bar at the top with six steps: 'Select Registrants', 'Select Event', 'Event Details', 'Review', 'Payment', and 'Registration Complete'. The 'Select Registrants' step is currently active. Below the progress bar, the 'Select Registrants' section contains three radio button options: 'Register Myself' (which is selected with a checkmark), 'Register Another Participant', and 'View or Modify an Existing Registration'. A 'Continue' button is positioned below these options. At the bottom of the page, there are links for 'Conference At A Glance', 'My Profile', 'Log Out', and 'Contact Us'.
